Give your child a brighter future.

Dear Future Students and Families,

One of my favorite miracles in Sacred Scripture is found in Saint Luke's Gospel. A group of friends brought their paralyzed companion to Jesus, but "not finding a way to bring him in because of the crowd, they went up on the roof and lowered him on the stretcher through the tiles..." (Lk.5:19)

I imagine what the conversation may have been before they climbed on the roof. One friend may have said, "Well, we tried." Another suggested waiting for the crowd to disperse. Then, one offered an audacious idea: "Let's try the roof!" United by their love for their friend and their confidence in Jesus Christ, they refused to let an obstacle stand in the way of bringing him to the Lord.

Similarly, our principals, teachers, coaches, and staff help students experience the Lord in extraordinary ways through the truth, goodness, and beauty of academic and extracurricular disciplines: math, science, literature, the arts, language, sport, history, and theology. We support the discovery of their God-given gifts to become the people they were created to be. We hope this guide will help you discern which of our Catholic high schools is the right home for your child.

The benefits of a Catholic education extend well beyond graduation. Our graduates are more likely to remain active in their faith, more civically engaged, and are more likely to serve their communities as adults. Thanks to opportunities such as Ohio's EdChoice Scholarship Program and the Catholic Education Foundation of the Archdiocese of Cincinnati, a Catholic high school education has never been more accessible.

Thank you for considering a Catholic high school for your family. We look forward to partnering with you to help your child grow in wisdom, virtue, and faith, becoming a joyful disciple of Jesus Christ and a leader who will make a difference in the world.

In Our Lady,

Matthew Daniels
